by adding the following sentence at the end of subdivision (g)(4) of the amendatory language of Section 1 of the bill:

All volunteers trained to administer anti-seizure medications shall also be trained in cardiopulmonary resuscitation (CPR).

AND FURTHER AMEND by adding the following language as a new, appropriately designated subdivision to subsection (g) of the amendatory language of Section 1 of the bill:

() A student's parent or guardian, who has given the student's school written authorization to administer anti-seizure medication, shall, in accordance with the student's IHP, notify the school administrator or school nurse if anti-seizure medication or prescription or over-the-counter medicines are administered to the student at a time at which the student is not present at school. The student's IHP shall set forth with specificity the requirements of reporting administration of medication and for the dissemination of such information to volunteer school personnel trained to administer anti-seizure medication. Such notification shall be given after administration of medication before or at the beginning of the next school day in which the student is in attendance.
